WORKSHOPS

WORKSHOPS

We can offer a range of plant workshops run by our green fingered experts. Whether it's at your place or ours.

We offer expert instructions and quality materials to make a unique item for each participant to take home with them.

HOW IT WORKS

Decide which workshop suits your group.

Workshops last around one to one and a half hours and include all the kit each person needs to get involved.

We recommend a minimum of 8 people but we're very happy to quote for smaller numbers. Larger groups can receive a discounted rate.

WORKSHOPS

KOKEDAMA

The Japanese art of creating a hanging plant display in a neat moss ball.

You will create a natural moss hanging display complete with a growing plant, to suspend and care for when you get home.

TERRARIUM MAKING

Build a miniature garden in a jar to take home.

Our plant experts will take you step by step through making your own mini biome, complete with layers of earth and stones and lots of beautiful greenery.

MOSS ART

Create a framed work of biophilic art made of preserved moss.

Working with this natural material, you'll make a long lasting, maintenance-free piece of plant artwork for your space.

PLANT CARE

From propagation to repotting and plant care, our expert will talk you through tips and tricks.

You will be able to get involved and take your new plant cuttings home to use your new expertise at home.

WREATHS

Make a seasonal wreath to adorn your door, window or interior.

You will be using fresh foliage to create a wreath for the season, be it Easter, summer, autumn or Christmas.

GARLANDS

Make a stunning seasonal garland with fresh foliage and decorations.

You will create a garland to take home to display on the wall or as a natural table centrepiece.

PLANT STYLING

Practical tips and expert interior design ideas for using plants in styling your home or for table.

You will get a biophilic design expert's styling and natural tablescaping tips. Includes a kit with plants and stylish homewares to take home to create your own display.

WHAT'S INCLUDED?

Our expert team have a wealth of knowledge to pass on. They will be ready with a kit for each person at the workshop, to make a finished item you can each take home and display.

We can offer workshops from groups of 8 up to 30 people. This can be at our Exmouth Market workshop, just 5 minutes walk from Farringdon tube or at your premises.

WORKSHOP PRICING

We host workshops for groups of 8 or more people. Our clients will receive 15% off per person when booking for a group of 20+ people.

Prices include all materials, expert teaching and lots of time for questions. Day prices include water and tea, evening prices include wine and snacks.

Please note a surcharge of £250 will be added for workshops of under 30 people when held off our premises.
