

# PLANT DESIGNS EVENTS

Plant Designs foundations are rooted in an extensive knowledge of plants and horticulture.

We are experts in using the experiential power of plants to enhance events and create unique experiences, whether this is through live planting, preserved or even replica foliage. Our dedicated team design, install and maintain displays to ensure that your brief is brought to life, whatever the event may be.

# WHO WE ARE

Our growing Events department is made up of a team of multi-talented set designers, creative producers, dedicated installers and of course horticultural experts, all specialising in plant-based décor and event installations.

Whatever you have in mind, Plant Designs are on hand to take the project from the initial design stages all the way through to your live event.
